

JURUPA ROAD

GRADE SEPARATION

CONSTRUCTION UPDATE: November 1, 2022

Survey crews will be working near the Jurupa Road and Pedley Road intersection, please drive with caution.

PROGRESS UPDATE

- **BRIDGE SUPPORT SYSTEM**
Crews continue working on the Van Buren Boulevard bridge support system and the retaining wall support systems for the Jurupa Road underpass. Crews will be placing concrete on **Wednesday morning, Nov. 2, beginning at 7 a.m. weather permitting.** Please watch for trucks entering and exiting the job site.
- **STORM WATER PUMP STATION**
Contractors continue working on interior improvements for the wet well and valve vault structures.
- **UTILITY WORK**
Please watch for survey crews during daytime work hours in the area of the Jurupa Road and Pedley Road intersection. Nighttime potholing work will begin soon near the intersection in preparation for Pedley and Jurupa roads improvements.

Crews installing waterproofing material for the retaining wall support system.

Work continues on the retaining wall support system on Jurupa Road at Van Buren Boulevard.
