

# JURUPA ROAD

## GRADE SEPARATION

### Construction Update: Week of June 5, 2023

Crews continue working on drainage improvements on the shoulder at Jurupa Road and Jurupa Connector Road. Crews are performing utility work behind the business plaza west of Felspar Street.

#### TRAFFIC IMPACTS

**Jurupa Road near Jurupa Connector Road**  
Expect shoulder work with possible traffic flagging.  
Mon., June 5 – Wed., June 14 7 a.m. - 5 p.m.

#### CONSTRUCTION UPDATE

- Crews continue installing an 18" drain pipe and catch basin on Jurupa Road at Jurupa Connector Road. Watch for traffic flagging.
- Retaining wall construction for the Jurupa Road underpass is an ongoing operation. Watch for trucks entering and exiting the jobsite at Jurupa Connector Road and Jurupa Road.
- Crews are working to begin safety improvements at the intersection of Pedley and Jurupa roads, and the railroad tracks. Watch for crews working on the shoulders.
- Crews continue to perform utility work off Felspar Street at Jurupa Road through June 15 from 6:30 a.m. to 3p.m. Contractors are completing utility relocations for the Storm Water Pump Station system connection to the Bly Channel. At least one entrance to the business plaza will remain open.

#### TRAFFIC IMPACTS

**The business plaza west of Felspar Road at Jurupa Road**  
A closure is planned at the north entrance, please use south entrance.  
Wed., June 7 – Fri., June 9 6:30 a.m. to 3 p.m.
