

# JURUPA ROAD GRADE SEPARATION

## CONSTRUCTION UPDATE: June 28, 2024

**Upcoming Work Schedule** Crews will not be working July 4 and 5 in observance of Independence Day.

**PROJECT UPDATE: Jurupa and Pedley roads are open to through traffic in all directions. The intersection closure is postponed.**

### Jurupa and Pedley Intersection Construction Update

Crews completed a portion of the storm drain system installation at the intersection of Jurupa and Pedley roads and were forced to postpone the remainder of the work due to utility conflicts discovered during the intersection closure.

Crews are placing a storm drain through the intersection of Jurupa and Pedley roads.

### Waterline Installation Update

Crews are installing a waterline under Van Buren Boulevard and the railroad tracks. The underground work is being completed behind k-rail from the east side of the intersection of Van Buren Boulevard south of Jurupa Road. This work will not affect traffic and will be completed in late August, 2024.

Crews are installing a waterline under Van Buren Blvd. at Jurupa Rd. The waterline travels under the railroad and under the roadway to the other side of Van Buren Blvd., and the placement process is controlled by this crew in the photo.
